“The legal support and advice given has been invaluable. It has taken a huge weight off my shoulders” Care & Repair

“The service provided was extremely professional, helpful, efficient and friendly. We have received expert guidance which will lead to improved ability to fundraise...”
Northants Women's Network

“The advice provided by ProHelp solicitors has given committee members peace of mind and the organisation a more settled long-term future” The Safe Haven

“I found the marketing consultation exercise extremely helpful as it enabled me to step back and look at the broader picture I am very grateful to ProHelp for its input as it has been of tremendous value ...”
Northants Rape and Incest Centre

“We would like to thank ProHelp for the support and help we have received. Without this help we would have been seriously disadvantaged and I am sure the process would have taken significantly longer” Wellingborough REC

“The whole legal process was handled in a very proficient, professional and supportive manner. We felt we were being treated as ‘very special’ clients” Teamwork Trust

“I am so very pleased that ProHelp exists, this is an excellent and very valuable resource for Voluntary and Community Groups in Northamptonshire. We are fortunate to have you”

ProHelp is a national network of over 1000 professional firms committed to providing free professional advice and support to local community groups and voluntary organisations.

ProHelp NORTHANTS was established in 1999 and includes lawyers, architects, surveyors, accountants, valuers, business recovery, marketing and business development consultants, all of whom are locally based.

Essentially ProHelp offers swift unbiased advice to stimulate or kick-start community and voluntary organisations - they do not 'run' projects- but give their expertise to those who do.

To be eligible for support you must be a not-for-profit group with charitable aims and working for the social regeneration of your local area.

Does YOUR organisation need professional help to...?

- ➕ Register a charity
- ➕ Draft a business plan
- ➕ Survey a building
- ➕ Develop a marketing strategy
- ➕ Negotiate a lease
- ➕ Alter existing or build new premises
- ➕ Revise operating systems
